

# INSTALLATION & CARE

## 2018-2020 FORD F150 FULL LED SEQUENTIAL TAIL LIGHT INSTALLATION INSTRUCTION

### BEFORE INSTALLATION:

- If you experience any difficulties that the instructions did not cover, please seek assistance at a local automotive shop.
- Please wear proper protective equipment before you work on any vehicle.
- An assistant is recommended when removing the front bumper from your vehicle.
- Please be cautious when working with the bumper or any parts belonging to the vehicle's body to prevent scratching.
- Do not make direct contact with the halogen bulbs or the wire assembly until the unit has cooled down after use.

### TOOLS AND SUPPLIES REQUIRED

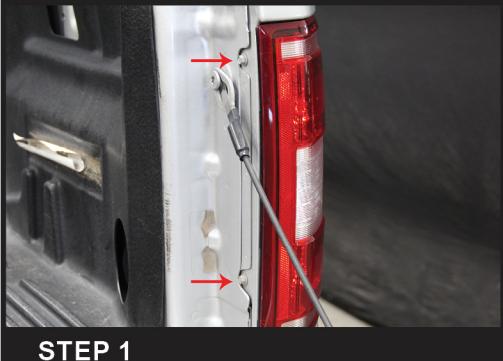

|                                                                                                      |                                                                                   |                                                                                   |  |
